

2023 Tax Questionnaire

Completing the Vine Accounting Tax Questionnaire will save time in preparing this year's tax return. We will review your questionnaire responses and then contact you to clarify any issues this raises.

If you would like to discuss any issues on taxation, you are welcome to make an appointment by phoning 02 7208 8765 or email admin@vineaccounting.com.au.

BEFORE YOU START THIS TAX QUESTIONNAIRE, PLEASE NOTE THE FOLLOWING:

Each year, the Tax Office focuses on work-related expense claims. It is still important that you keep accurate receipts and records to substantiate these claims.

Valid tax invoices must be retained for claims made in your tax return for 5 years after lodgment. For amounts less than \$10, receipts are not required up to a total of \$200, but full details must be recorded.

This year, the ATO has specifically stated they will be focusing on the following four priorities;

- Rental properties
- Work-related expenses
- Capital Gains tax

If you have investments in shares or property, make sure that the interest you claim on any borrowed money is specifically for earning income and/or capital gain from your investments.

The ATO can audit any taxpayer's return. If your return is selected, you don't want to end up paying back tax, interest on unpaid tax, and possibly fines because you failed to properly account for any income or expenses in your income tax return.

DEPRECIATION

You may claim for depreciation on the cost of items and equipment purchased to be used as part of your work or rental property (including equipment used in your home office, less % private use). You need to base your statement of percentage of private use on a pattern of usage recorded in a diary for at least one month.

If we completed your tax return last year, you only need to show items purchased that cost more than \$300.

If you are a new client and you depreciated any items last year, please attach a copy of the depreciation schedule.
